COMMENCEMENT

FRIDAY, MAY 9, 2025
10 AM

Commencement Speaker

SAM EDELMAN '73

A dominant force in fashion, Sam Edelman has made an indelible impact on some of the most renowned contemporary footwear brands over the past 45 years: launching the footwear division for Esprit and Ralph Lauren, holding an executive role at Candies, and serving as co-founder of Kenneth Cole. Inspired by timeless American elegance, Sam Edelman's innate understanding of the customer translates conceptually into a modern lifestyle informed by rich heritage, creativity, and innovation. A visionary and pioneer in contemporary fashion, he brings an irreverent and trend-on style to his eponymous fashion lifestyle brands: Sam & Libby (est. 1987), Sam Edelman (est. 2004), and Circus NY by Sam Edelman (est. 2011).

At the heart of Sam's vision is a deep commitment to the future, one he shares with his wife and muse, Libby Edelman. Together, they offer invaluable guidance and mentorship to aspiring fashion students and young professionals through their sophisticated internship program. Sam's dedication to education is further evident in his series of college master classes, where he imparts his expertise to the next generation of talent.

As entrenched as Sam is in the world of fashion, he is equally rooted in Sarah Lawrence. He is part of a multigenerational family of SLC graduates that includes his parents, his sister, and his cousin, who is married to a two-time alum. He proudly credits his background in the liberal arts with shaping his approach to business, which blends creativity with strategic insight.

2025 Honorary Degree Recipient

LUCINDA CHILDS '62

Lucinda Childs '62 began her career as a choreographer in the early 1960s as a member of the Judson Dance Theater. She formed her own dance company in 1973, and since then has created more than 50 works. In 1976, she collaborated with Philip Glass and Robert Wilson on the landmark avant-garde opera "Einstein on the Beach," for which she won an Obie Award. Childs received a Guggenheim Fellowship in 1979 for one of her most enduring works, "Dance," which featured music by Philip Glass and film décor by Sol LeWitt. "Dance" toured internationally and has been added to the repertory of the Lyon Opera Ballet, for which she has also choreographed Beethoven's "Grande Fugue." Since 1981, Childs has choreographed more than 30 works for major ballet companies including the Paris Opera Ballet, Les Ballets de Monte Carlo, and Baryshnikov's White Oak Dance Company. She has also directed and choreographed a number of contemporary and 18th-century operas, most recently Philip Glass's "Akhnaten" for l'Opéra de Nice Côte d'Azur.

Childs holds the rank of Commandeur in France's Ordre des Arts et des Lettres. She received the Bessie Award for Lifetime Achievement in 2009 and, in 2017, both the Golden Lion Award from the Venice Biennale and the Samuel H. Scripps American Dance Festival Award for Lifetime Achievement. She has been inducted into the Hall of Fame of the National Museum of Dance in Saratoga Springs, New York, and received an honorary doctorate from the Université Côte d'Azur in 2021.

THE ACADEMIC COSTUME CODE

The custom of wearing academic dress stems from the Middle Ages when scholars were also clerics and wore the costumes of their monastic orders. Significant parts of academic dress are the gown, the hood, and the cap. Each has a particular significance and is worn in accordance with standards established by the Academic Costume Code of the American Council on Education.

PRESIDENTIAL REGALIA

The president has always been the focal point of a college or university commencement. For this reason, it is acceptable that they wear a distinctive gown unique to the institution over which they preside. The unique feature of a presidential gown is the addition of the fourth chevron to each sleeve. This honor is granted only to one who holds the rank of president or chancellor of an academic institution.

GOWNS

The regalia, called GreenWeaver[®], is made from 100% post-consumer recycled plastic bottles in an effort to remain environmentally conscious. The gown is supplied with fasteners so that it may be worn open or closed. The gown for the master's degree has an oblong sleeve, open at the wrist. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square-cut, and the front part has an arc cut away.

HOODS

Sarah Lawrence College uses hoods for the master's degree, which are three and a half feet in length. Hoods are lined with the official colors of the College, green and white. The colors of the trimmings of the hoods are associated with different subject matters, as follows, conferred at Sarah Lawrence College:

ARTS, LETTERS, HUMANITIES

White

Child Development, Health Advocacy, Women's History

EDUCATION

Light Blue

Art of Teaching

FINE ARTS, INCLUDING ARCHITECTURE

Brown

Dance, Theatre, Writing

SCIENCE

Golden Yellow

Dance/Movement Therapy, Human Genetics
